VICTORIA III - APARTMENT

in Denia, Alicante

Victoria III is a residential complex consisting of apartments with 3 bedrooms and 2 bathrooms, located in Denia. In addition, it has a large communal area formed by garden and pool. Would you like to know more about the location? Denia is one of the favorite beach destinations of national and international tourism. It has 20 km of coastline, with beautiful beaches and coves, and a promenade that connects most of them, where you can enjoy restaurants with the best cuisine and excellent views of the sea. Denia has grown a lot in recent years, counting, at present, with numerous residential areas, both to the south, bounded by the Montgó Natural Park, and to the north, in the well-known area of Las Marinas. In addition, its access by road, through the AP-7 and the N-332, or by train, through the TRAM, make it a very accessible city. We can not forget its Port, which connects Denia, with the Balearic Islands. Its gastronomy, its beaches, its people, the cozy atmosphere or its contrasts of modernity and tradition, have made Denia the Spanish municipality that most vacationers receive. If you are interested in expanding the information, do not hesitate and contact us.
