in Alcazaba lagoon, Málaga

ALCAZABA Lagoon is the residential development of your dreams, stretching through over 40,000 m² with exotic gardens. A development of buildings with a catching design of white lines and gentle outlines for its south-facing dwellings.

The crystal waters of the lagoon are always clear, and the most beautiful landscape surrounds it. A paradise for numerous water sports, such as paddlesurfing, canoeing, sailing, kite surfing and windsurfing, etc... The first Crystal Lagoons to be built in Europe, for the exclusive use of the ALCAZABA Lagoon residential development: a housing complex in contemporary Mediterranean style in Casares, a privileged zone on the Costa del Sol.

The third phase of the development offers 78 exclusive 2 and 3 bedroom apartments and lofts with spectacular terraces.

The Costa del Sol enjoys one of Europe's particularly special ecosystems. Not only does it have an exceptional number of sunny days, it is also protected from the winter winds by a chain of mountains, and has a milder climate in the summer. Excellent transport links, airports close to hand and all the services from Marbella to Gibraltar: golf courses, restaurants and commercial areas, marinas, hotels, hospitals and schools. ALCAZABA Lagoon lies within the bounds of the village of Casares, a "white village", known for the beauty of its walking routes, and with the best coves for swimming, fishing and scuba diving.
