Brand New 1 Bedroom Apartment For Sale in Bangkok in Watthana, Bangkok

A brand new condominium currently underway in one of Thailand's most popular tourist destinations - Bangkok.

Offering one and two bedroom apartments, the thought and design going into the overall development architecturally is utterly outstanding. A well known developer with top credentials for graceful, modern and eco-friendly designs has taken on the project of two 8 storey buildings providing a total of 262 residential units.

Located in Sukhumvit Soi 10, this development is basically in the centre of the city network. It is conveniently placed close enough to the hustle and bustle of city life while being able to embrace a deep sense of private created by beautiful surroundings.

It will be comprised of double volume lobby reception areas, lifts, a mailroom, fitness centre, bike simulator, a co-theatre, salon, yoga room, sauna, steam room, laundry room and so much more can be found internally. Externally, there will be a drop-off area, floating balcony, rain tree pavilion, 25m swimming pool, a children's pool, sun-lounging area and a bike rack.

The rooftop will offer a sky garden, tropical walking track, private sanctuary, relaxing hill, sunset terrace, sky bridge, forest lounge, playground, BBQ section, outdoor cooking stations, rain tree bar table and urban plantation.
